

Botanical Name  
**Acer rubrum 'Franksred'**

Common Name  
**Red Sunset® Maple**

**Height:** 50'

**Spread:** 30-40'

**Shape:** Upright, dense

**Foliage:** Bright green, heavy textured

**Fall Foliage:** Brilliant red

**Exposure:** Full Sun

**Zone:** 4-7

**DESCRIPTION:** This outstanding Red Maple offers brilliant red autumn color that is retained longer than most other Rubrums. Named Iowa Tree of the Year for 2000, it has thick foliage and a dense, upright branching habit that makes it a great choice for street and lawn use. Own root.
