

Botanical Name

Acer saccharum 'Bailsta' (PP11,119)

Common Name

Fall Fiesta® Maple

Height: 50-75'

Spread: 50'

Shape: Upright, rounded

Foliage: Glossy, leathery green

Fall Foliage: Orange, red, yellow

Exposure: Full Sun

Zone: 3-7

DESCRIPTION: One look is all you'll need to see that Fall Fiesta® is superior to the sort. The branching is full and symmetrical. Leathery, glossy, deep green leaves are resistant to leaf tatter and leafhopper damage. A rapid grower, easy to transplant and also resistant to sun scald and frost cracks. Outstanding fall color, shows far more oranges and reds than other Sugar Maples. Prefers a moist yet well-drained soil with a slight acidity for optimum growth.
